POINTS TO PONDER

- 1. What is a weight or burden in your life that feels too heavy to carry right now? Read Psalm 62:5-8. What does God want you to do according to that verse?**
- 2. What is your go-to escape that you typically run to for relief?.... Fitness? Alcohol or Drugs?, Food? Shopping? Work? Pornography? Whatever or whomever you run to— that's your true refuge, but God is the only refuge who lasts. What steps can you start to take to make God your go-to refuge?**
- 3. How is your prayer life these days? Do you call out to God on a regular basis? If not, what's standing in your way?**
- 4. Think of a time when God has been a refuge to you. How did you feel during that time? If you've never felt what it's like to be on God's Team, make it an extra priority to do this week's challenge.**

CHALLENGE

Spend one hour alone with God this week. Take a walk. Read the Bible. Pray. Let God be your refuge and your strength.
